# YOUR DESERT *to* IDYLLWILD REAL ESTATE CONNECTION

MOVE BETWEEN THE DESERT & THE MOUNTAINS WITH CONFIDENCE.

## Two Markets. One Experienced Real Estate Team.

From the luxury communities of the Coachella Valley to the mountain retreats of Idyllwild, our team represents buyers and sellers throughout two of Southern California's most distinctive markets.

We understand that for many clients, the desert and the mountains are connected. A primary residence in the Valley. A weekend cabin in Idyllwild. An investment property that becomes a future escape. Our experience across both markets allows us to guide clients with a broader perspective and a highly personalized approach.

## Marketing Your Property Beyond One Community

Many Idyllwild buyers come from the desert. Many desert homeowners are searching for a mountain retreat. By actively working both markets, we create greater visibility and stronger opportunities for our clients.

Whether listing a luxury estate in the Coachella Valley or a cabin tucked into the pines of Idyllwild, our team delivers:

- » Strategic pricing and market positioning
- » Elevated print and digital marketing
- » Professional property presentation
- » Local expertise in both the desert and mountain communities
- » Personalized service from consultation to closing

## Desert Sophistication. Mountain Character.

The desert offers world class golf, modern architecture, luxury communities, and year round sunshine. Idyllwild offers towering pines, cooler temperatures, privacy, and a lifestyle centered around nature and connection.

Each market attracts a different buyer, yet many clients are drawn to both. Our team understands how to position and market properties to reach the right audience, whether in the desert, the mountains, or beyond.

WHETHER YOU'RE BUYING, SELLING, OR INVESTING,  
WE'RE READY TO REPRESENT YOU.

# Escape the Ordinary

## & Experience a Bit of History with Idyllwild Getaways

Tucked among the towering pines this is where mountain charm meets artistic spirit, Idyllwild Getaways offers more than a vacation — it offers an experience. Whether you are seeking a peaceful retreat beneath the stars, a memorable gathering place for friends and

family, or a unique architectural escape, these one-of-a-kind mountain homes invite guests to truly escape the ordinary.

At the heart of the collection is **The Mystery Lodge**, a historic writer's cabin once owned by renowned author Erle Stanley Gardner, creator of the beloved Perry Mason book/TV series. Owned by the same family for the last 50+ years, it is rich with character and timeless mountain ambiance, this beautiful lodge blends rustic luxury with historic significance. Guests can experience a bit of history while enjoying modern comforts, including four bedrooms, three bathrooms, a giant great room with sky high ceilings, and a private hot tub for the after hike soak under star-filled skies.

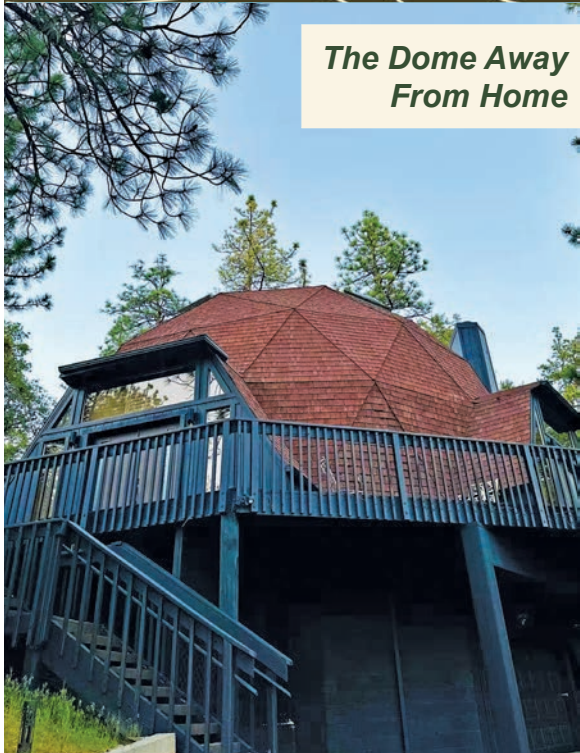

### The Mystery Lodge

Designed for connection and relaxation, The Mystery Lodge is ideal for family vacations, celebrations, retreats, or quiet weekends away. Mornings begin with coffee on the deck surrounded by fresh mountain air, while evenings invite guests to unwind fire-side after exploring the charm of downtown.

### The Dome Away From Home

For travelers seeking something truly distinctive, **The Dome Away From Home** offers an unforgettable stay inspired by visionary architect Buckminster Fuller. This mid-century modern geodesic dome home combines eclectic design, spectacular mountain views from the wrap around deck, and creative energy into a stay unlike any other in the area. A 2,600 SF, 3 bedroom, 3 bath retreat filled with natural light and thoughtfully curated details, the Dome provides an inspiring escape for couples, creatives, wellness retreats, or anyone looking to disconnect from the routine and reconnect with nature.

Both homes reflect the unique spirit of Idyllwild. **Guests can book either property individually or reserve both homes together (Sleeps 8-16) to accommodate larger groups and create the ultimate mountain get-**

**away experience.** Both properties are a short 5-7 minute walk to town.

Whether soaking in the hot tub under the stars, enjoying the peaceful quiet of the forest, or exploring the beauty of the surrounding mountains, every stay with Idyllwild Getaways is designed to create meaningful memories and unforgettable moments.

Book your stay today and discover why guests return to Idyllwild Getaways year after year for inspiration, connection, and relaxation.
